See how we turned a piece of recycled cardboard, cardstock and crepe streamer into a personalized display for your dessert table. The birthday girl will love to see her name strung together on this oversized horseshoe along with a ribbon that divides her new age! Look how-to here. Pink paper cuts make the perfect addition to this party theme as they look like pony tails! Inflate 2 horse balloons to gallop around your entertainment area. When throwing a movie-based party or TV show that your child loves, chances are they have some toys that can be used as décor. Pull all your daughter Spirit, Chica Linda and Boomerang figurines out of your toy room to mix inside your dessert shop window. Kids are going to need a place to chow down after horsing around so set up a spread that's all in spirit! Spiritual tablecloths make a great base for lunch plates, napkins, cups and printed party hats. Spirit Riding Free Party Food & Drink Saying says you can take a horse to the water, but you can't make it drink, but we bet when your party guests fester their eyes on your dessert table, it will be hard to resist! Of course you don't want to feed your guests what the actual horse eats, but would (covered in candy) apples and hay bales (called Rice Krispies Treats) be that bad? Turn the basic cake into a team of your favorite horse varieties with Nutter Butter cookies, Mini Nilla Wafer cookies, icing eyes and black frosting. Spirit loves to ride with his friends, Boomerang and Chico Linda, so be sure to include a team of horse suckers on your dessert table. Tip: Cover your Styrofoam discs with paper and crepe streamers to create a fun lollipop display full of horsepower! A friendly reminder that not all party desserts have to fit the theme! Sometimes just fit in color, and we bet that pink and blue desserts are pretty easy to Tip: Look for anything unit themed as you tend to take this color palette! Spirit Riding Free Party Activities Parents who want to firmly curb the fun at the party will plan plenty of activities to entertain their guests. Consider creating a few stops instead of being a one-trick ponytail: Ponytail Decorating Station - Set up a stand-up mirror, brushes, color hair extensions and a bowl of matching hair ties with an adult who has a knack for braids and you're all ready! Paint the pony – Kids love the American breed of horses of color in their colorful combinations, so let them decorate their own shape of a wooden horse picked up in a craft shopPinata – Everyone always loves free-flowing sweets! You could easily fill these bags or these prey bags with lots of spirit themes of good things your friends would love including: Our policy lasts 30 days.
